- C. The balance or value of an account is determined as of the last day of the calendar year or other appropriate reporting period.
- D. Where a balance or value threshold is to be determined as of the last day of a calendar year, the relevant balance or value must be determined as of the last day of the reporting period that ends with or within that calendar year.
- E. Each Jurisdiction may allow Reporting Financial Institutions to use service providers to fulfil the reporting and due diligence obligations imposed on such Reporting Financial Institutions, as contemplated in domestic law, but these obligations shall remain the responsibility of the Reporting Financial Institutions.
- F. Each Jurisdiction may allow Reporting Financial Institutions to apply the due diligence procedures for New Accounts to Preexisting Accounts, and the due diligence procedures for High Value Accounts

to Lower Value Accounts. Where a Jurisdiction allows New Account due diligence procedures to be used for Preexisting Accounts, the rules otherwise applicable to Preexisting Accounts continue to apply.

Section III: Due Diligence for Preexisting Individual Accounts

The following procedures apply for purposes of identifying Reportable Accounts among Preexisting Individual Accounts.

- A. **Accounts Not Required to be Reviewed, Identified, or Reported.** A Preexisting Individual Account that is a Cash Value Insurance Contract or an Annuity Contract is not required to be reviewed, identified or reported, provided the Reporting Financial Institution is effectively prevented by law from selling such Contract to residents of a Reportable Jurisdiction.
- B. **Lower Value Accounts.** The following procedures apply with respect to Lower Value Accounts.
 1. **Residence Address.** If the Reporting Financial Institution has in its records a current residence address for the individual Account Holder based on Documentary Evidence, the Reporting Financial Institution may treat the individual Account Holder as being a resident for tax purposes of the jurisdiction in which the address is located for purposes of determining whether such individual Account Holder is a Reportable Person.

2. **Electronic Record Search.** If the Reporting Financial Institution does not rely on a current residence address for the individual Account Holder based on Documentary Evidence as set forth in subparagraph B(1), the Reporting Financial Institution must review electronically searchable data maintained by the Reporting Financial Institution for any of the following indicia and apply subparagraphs B(3) through (6):
 - a) identification of the Account Holder as a resident of a Reportable Jurisdiction;
 - b) current mailing or residence address (including a post office box) in a Reportable Jurisdiction;
 - c) one or more telephone numbers in a Reportable Jurisdiction and no telephone number in the jurisdiction of the Reporting Financial Institution;
 - d) standing instructions (other than with respect to a Depository Account) to transfer funds to an account maintained in a Reportable Jurisdiction;
 - e) currently effective power of attorney or signatory authority granted to a person with an address in a Reportable Jurisdiction; or

- f) a “hold mail” instruction or “in-care-of” address in a Reportable Jurisdiction if the Reporting Financial Institution does not have any other address on file for the Account Holder.
- 3. If none of the indicia listed in subparagraph B(2) are discovered in the electronic search, then no further action is required until there is a change in circumstances that results in one or more indicia being associated with the account, or the account becomes a High Value Account.
- 4. If any of the indicia listed in subparagraph B(2)(a) through (e) are discovered in the electronic search, or if there is a change in circumstances that results in one or more indicia being associated with the account, then the Reporting Financial Institution must treat the Account Holder as a resident for tax purposes of each Reportable Jurisdiction for which an indicium is identified, unless it elects to apply subparagraph B(6) and one of the exceptions in such subparagraph applies with respect to that account.
- 5. If a “hold mail” instruction or “in-care-of” address is discovered in the electronic search and no other address and none of the other indicia listed in subparagraph B(2)(a) through (e) are identified for the Account

Holder, the Reporting Financial Institution must, in the order most appropriate to the circumstances, apply the paper record search described in subparagraph C(2), or seek to obtain from the Account Holder a self-certification or Documentary Evidence to establish the residence(s) for tax purposes of such Account Holder. If the paper search fails to establish an indicium and the attempt to obtain the self-certification or Documentary Evidence is not successful, the Reporting Financial Institution must report the account as an undocumented account.

6. Notwithstanding a finding of indicia under subparagraph B(2), a Reporting Financial Institution is not required to treat an Account Holder as a resident of a Reportable Jurisdiction if:
 - a) the Account Holder information contains a current mailing or residence address in the Reportable Jurisdiction, one or more telephone numbers in the Reportable Jurisdiction (and no telephone number in the jurisdiction of the Reporting Financial Institution) or standing instructions (with respect to Financial Accounts other than Depository Accounts) to transfer funds to an account maintained in a

Reportable Jurisdiction, the Reporting Financial Institution obtains, or has previously reviewed and maintains a record of:

- i. a self-certification from the Account Holder of the jurisdiction(s) of residence of such Account Holder that does not include such Reportable Jurisdiction; and
 - ii. Documentary Evidence establishing the Account Holder's non-reportable status.
- b) the Account Holder information contains a currently effective power of attorney or signatory authority granted to a person with an address in the Reportable Jurisdiction, the Reporting Financial Institution obtains, or has previously reviewed and maintains a record of:
- i. a self-certification from the Account Holder of the jurisdiction(s) of residence of such Account Holder that does not include such Reportable Jurisdiction; or

- ii. Documentary Evidence establishing the Account Holder's non-reportable status.

C. **Enhanced Review Procedures for High Value Accounts.** The following enhanced review procedures apply with respect to High Value Accounts.

1. **Electronic Record Search.** With respect to High Value Accounts, the Reporting Financial Institution must review electronically searchable data maintained by the Reporting Financial Institution for any of the indicia described in subparagraph B(2).
2. **Paper Record Search.** If the Reporting Financial Institution's electronically searchable databases include fields for, and capture all of the information described in, subparagraph C(3), then a further paper record search is not required. If the electronic databases do not capture all of this information, then with respect to a High Value Account, the Reporting Financial Institution must also review the current customer master file and, to the extent not contained in the current customer master file, the following documents associated with the account and obtained by the Reporting Financial Institution within

the last five years for any of the indicia described in subparagraph B(2):

- a) the most recent Documentary Evidence collected with respect to the account;
- b) the most recent account opening contract or documentation;
- c) the most recent documentation obtained by the Reporting Financial Institution pursuant to AML/KYC Procedures or for other regulatory purposes;
- d) any power of attorney or signature authority forms currently in effect; and
- e) any standing instructions (other than with respect to a Depository Account) to transfer funds currently in effect.

3. **Exception To The Extent Databases Contain Sufficient Information.** A Reporting Financial Institution is not required to perform the paper record search described in subparagraph C(2) to the extent the Reporting Financial Institution's electronically searchable information includes the following:

- a) the Account Holder's residence status;

- b) the Account Holder's residence address and mailing address currently on file with the Reporting Financial Institution;
- c) the Account Holder's telephone number(s) currently on file, if any, with the Reporting Financial Institution;
- d) in the case of Financial Accounts other than Depository Accounts, whether there are standing instructions to transfer funds in the account to another account (including an account at another branch of the Reporting Financial Institution or another Financial Institution);
- e) whether there is a current "in-care-of" address or "hold mail" instruction for the Account Holder; and
- f) whether there is any power of attorney or signatory authority for the account.

4. **Relationship Manager Inquiry for Actual Knowledge.** In addition to the electronic and paper record searches described above, the Reporting Financial Institution must treat as a Reportable Account any High Value Account assigned to a relationship manager (including any Financial Accounts aggregated with that High Value Account)

if the relationship manager has actual knowledge that the Account Holder is a Reportable Person.

5. **Effect of Finding Indicia.**

a) If none of the indicia listed in subparagraph B(2) are discovered in the enhanced review of High Value Accounts described above, and the account is not identified as held by a Reportable Person in subparagraph C(4), then further action is not required until there is a change in circumstances that results in one or more indicia being associated with the account.

b) If any of the indicia listed in subparagraph B(2)(a) through (e) are discovered in the enhanced review of High Value Accounts described above, or if there is a subsequent change in circumstances that results in one or more indicia being associated with the account, then the Reporting Financial Institution must treat the account as a Reportable Account with respect to each Reportable Jurisdiction for which an indicium is identified unless it elects to apply subparagraph B(6) and one

of the exceptions in such subparagraph applies with respect to that account.

- c) If a “hold mail” instruction or “in-care-of” address is discovered in the enhanced review of High Value Accounts described above, and no other address and none of the other indicia listed in subparagraph B(2)(a) through (e) are identified for the Account Holder, the Reporting Financial Institution must obtain from such Account Holder a self-certification or Documentary Evidence to establish the residence(s) for tax purposes of the Account Holder. If the Reporting Financial Institution cannot obtain such self-certification or Documentary Evidence, it must report the account as an undocumented account.
6. If a Preexisting Individual Account is not a High Value Account as of 31 December 2016, but becomes a High Value Account as of the last day of a subsequent calendar year, the Reporting Financial Institution must complete the enhanced review procedures described in paragraph C with respect to such account within the calendar year following the year in which the

account becomes a High Value Account. If based on this review such account is identified as a Reportable Account, the Reporting Financial Institution must report the required information about such account with respect to the year in which it is identified as a Reportable Account and subsequent years on an annual basis, unless the Account Holder ceases to be a Reportable Person.

7. Once a Reporting Financial Institution applies the enhanced review procedures described in paragraph C to a High Value Account, the Reporting Financial Institution is not required to re-apply such procedures, other than the relationship manager inquiry described in subparagraph C(4), to the same High Value Account in any subsequent year unless the account is undocumented where the Reporting Financial Institution should re-apply them annually until such account ceases to be undocumented.
8. If there is a change of circumstances with respect to a High Value Account that results in one or more indicia described in subparagraph B(2) being associated with the account, then the Reporting Financial Institution must treat the account as a Reportable Account with respect to each Reportable Jurisdiction for which an indicium is identified unless it elects to

apply subparagraph B(6) and one of the exceptions in such subparagraph applies with respect to that account.

9. A Reporting Financial Institution must implement procedures to ensure that a relationship manager identifies any change in circumstances of an account. For example, if a relationship manager is notified that the Account Holder has a new mailing address in a Reportable Jurisdiction, the Reporting Financial Institution is required to treat the new address as a change in circumstances and, if it elects to apply subparagraph B(6), is required to obtain the appropriate documentation from the Account Holder.

- D. Review of Pre-existing Individual Accounts:
 1. that is a Lower Value Account within the meaning of CRS must be completed by 31 December 2018; and
 2. that is a High Value Account within the meaning of CRS must be completed by 31 December 2017.

Section IV: Due Diligence for New Individual Accounts

The following procedures apply for purposes of identifying Reportable Accounts among New Individual Accounts.

- A. With respect to New Individual Accounts, upon account opening, the Reporting Financial Institution must obtain a self-certification, which

may be part of the account opening documentation, that allows the Reporting Financial Institution to determine the Account Holder's residence(s) for tax purposes and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures.

- B. If the self-certification establishes that the Account Holder is resident for tax purposes in a Reportable Jurisdiction, the Reporting Financial Institution must treat the account as a Reportable Account and the self-certification must also include the Account Holder's TIN with respect to such Reportable Jurisdiction (subject to paragraph D of Section I) and date of birth.
- C. If there is a change of circumstances with respect to a New Individual Account that causes the Reporting Financial Institution to know, or have reason to know, that the original self-certification is incorrect or unreliable, the Reporting Financial Institution cannot rely on the original self-certification and must obtain a valid self-certification that establishes the residence(s) for tax purposes of the Account Holder.

Section V: Due Diligence for Preexisting Entity Accounts

The following procedures apply for purposes of identifying Reportable Accounts among Preexisting Entity Accounts.

- A. **Entity Accounts Not Required to Be Reviewed, Identified or Reported.** Unless the Reporting Financial Institution elects otherwise, either with respect to all Preexisting Entity Accounts or, separately, with respect to any clearly identified group of such accounts, a Preexisting Entity Account with an aggregate account balance or value that does not exceed \$250,000 as of 31 December 2016, is not required to be reviewed, identified, or reported as a Reportable Account until the aggregate account balance or value exceeds \$250,000 as of the last day of any subsequent calendar year.
- B. **Entity Accounts Subject to Review.** A Preexisting Entity Account that has an aggregate account balance or value that exceeds \$250,000 as of 31 December 2016, and a Pre-existing Entity Account that does not exceed \$250,000 as of 31 December 2016 but the aggregate account balance or value of which exceeds \$250,000 as of the last day of any subsequent calendar year, must be reviewed in accordance with the procedures set forth in paragraph D.
- C. **Review Procedures for Identifying Entity Accounts With Respect to Which Reporting may be Required.** For Preexisting Entity Accounts described in paragraph B, a Reporting Financial Institution must apply the following review procedures:

1. **Determine the Residence of the Entity**

- a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine the Account Holder's residence. For this purpose, information indicating the Account Holder's residence includes a place of incorporation or organisation, or an address in a Foreign Jurisdiction.
- b) If the information indicates that the Account Holder is Reportable Person, the Reporting Financial Institution must treat the account as a Reportable Account unless it obtains a self-certification from the Account Holder, or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Reportable Person.

2. **Determine the Residence of the Controlling Persons of a Passive NFE.**

With respect to an Account Holder of a Preexisting Entity Account (including an Entity that is a Reportable Person), the Reporting Financial Institution must identify whether the Account Holder is a Passive NFE with one or more Controlling

Persons and determine the residence of such Controlling Persons. If any of the Controlling Persons of a Passive NFE is a Reportable Person, then the account is treated as a Reportable Account. In making these determinations the Reporting Financial Institution must follow the guidance in subparagraphs C(2)(a) through (c) in the order most appropriate under the circumstances.

- a) **Determining whether the Account Holder is a Passive NFE.** For purposes of determining whether the Account Holder is a Passive NFE, the Reporting Financial Institution must obtain a self-certification from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFE or a Financial Institution other than an Investment Entity described in subparagraph A(6)(b) of Section VIII that is not a Participating Jurisdiction Financial Institution.
- b) **Determining the Controlling Persons of an Account Holder.** For the purposes of determining the

Controlling Persons of an Account Holder, a Reporting Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.

- c) **Determining the Residence of a Controlling Person of a Passive NFE.** For the purposes of determining the residence of a Controlling Person of a Passive NFE, a Reporting Financial Institution may rely on:
- i. information collected and maintained pursuant to AML/KYC Procedures in the case of a Preexisting Entity Account held by one or more Passive NFEs with an aggregate account balance or value that does not exceed \$1,000,000; or
 - ii. a self-certification from the Account Holder or such Controlling Person of the jurisdiction(s) in which the Controlling Person is resident for tax purposes. If a self-certification is not provided, a Reporting Financial Institution will establish such residence by

applying the procedures described in paragraph C Section III.

D. **Timing of Review and Additional Procedures Applicable to Preexisting Entity Accounts.**

1. Review of Preexisting Entity Accounts with an aggregate account balance or value that exceeds \$250,000 as of 31 December 2016 must be completed by 31 December 2018.
2. Review of Preexisting Entity Accounts with an aggregate account balance or value that does not exceed \$250,000 as of 31 December 2016, but exceeds \$250,000 as of 31 December of a subsequent year, must be completed within the calendar year following the year in which the aggregate account balance or value exceeds \$250,000.
3. If there is a change of circumstances with respect to a Preexisting Entity Account that causes the Reporting Financial Institution to know, or have reason to know, that the self-certification or other documentation associated with an account is incorrect or unreliable, the Reporting Financial Institution must re-determine the status of the account in accordance with the procedures set forth in paragraph C.

Section VI: Due Diligence for New Entity Accounts

The following procedures apply for purposes of identifying Reportable Accounts among New Entity Accounts.

A. **Review Procedures for Identifying Entity Accounts With Respect to Which Reporting may be Required.** For New Entity Accounts, a Reporting Financial Institution must apply the following review procedures.

1. **Determine the Residence of the Entity.**

- a) Obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Financial Institution to determine the Account Holder's residence(s) for tax purposes and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures. If the Entity certifies that it has no residence for tax purposes, the Reporting Financial Institution may rely on the address of the principal office of the Entity to determine the residence of the Account Holder.
- b) If the self-certification indicates that the Account Holder is resident in a Reportable Jurisdiction, the Reporting Financial Institution must treat the account as a Reportable

Account unless it reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Reportable Person with respect to such Reportable Jurisdiction.

2. **Determine the Residence of the Controlling Persons of a Passive NFE.**

With respect to an Account Holder of a New Entity Account (including an Entity that is a Reportable Person), the Reporting Financial Institution must identify whether the Account Holder is a Passive NFE with one or more Controlling Persons and determine the residence of such Reportable Persons. If any of the Controlling Persons of a Passive NFE is a Reportable Person, then the account must be treated as a Reportable Account. In making these determinations the Reporting Financial Institution must follow the guidance in subparagraphs A(2)(a) through (c) in the order most appropriate under the circumstances.

a) **Determining whether the Account Holder is a Passive NFE.**

For purposes of determining whether the Account Holder is a Passive NFE, the Reporting Financial Institution must rely on a self-certification from the Account Holder to establish its status, unless

it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFE or a Financial Institution other than an Investment Entity described in subparagraph A(6)(b) of Section VIII that is not a Participating Jurisdiction Financial Institution.

- b) **Determining the Controlling Persons of an Account Holder.** For purposes of determining the Controlling Persons of an Account Holder, a Reporting Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.
- c) **Determining the Residence of a Controlling Person of a Passive NFE.** For purposes of determining the Residence of Controlling Person of a Passive NFE is a Reportable Person, a Reporting Financial Institution may rely on a self-certification from the Account Holder or such Controlling Person.

Section VII: Special Due Diligence Rules

The following additional rules apply in implementing the due diligence procedures described above:

- A. **Reliance on Self-Certifications and Documentary Evidence.** A Reporting Financial Institution may not rely on a self-certification or Documentary Evidence if the Reporting Financial Institution knows or has reason to know that the self-certification or Documentary Evidence is incorrect or unreliable.
- B. **Alternative Procedures for Financial Accounts Held by Individual Beneficiaries of a Cash Value Insurance Contract or an Annuity Contract.** A Reporting Financial Institution may presume that an individual beneficiary (other than the owner) of a Cash Value Insurance Contract or an Annuity Contract receiving a death benefit is not a Reportable Person and may treat such Financial Account as other than a Reportable Account unless the Reporting Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Reportable Person. A Reporting Financial Institution has reason to know that a beneficiary of a Cash Value Insurance Contract or an Annuity Contract is a Reportable Person if the information collected by the Reporting Financial Institution and associated with the beneficiary contains indicia of residence in a Foreign Jurisdiction as described in paragraph B of Section III. If a Reporting Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Reportable Person, the Reporting Financial Institution must follow the procedures in paragraph B of Section III.

C. **Account Balance Aggregation and Currency Rules.**

1. **Aggregation of Individual Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an individual, a Reporting Financial Institution is required to aggregate all Financial Accounts maintained by the Reporting Financial Institution, or by a Related Entity, but only to the extent that the Reporting Financial Institution's computerised systems link the Financial Accounts by reference to a data element such as client number or TIN, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this subparagraph.
2. **Aggregation of Entity Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an Entity, a Reporting Financial Institution is required to take into account all Financial Accounts that are maintained by the Reporting Financial Institution, or by a Related Entity, but only to the extent that the Reporting Financial Institution's computerised systems link the Financial

Accounts by reference to a data element such as client number or TIN, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this subparagraph.

3. **Special Aggregation Rule Applicable to Relationship Managers.** For purposes of determining the aggregate balance or value of Financial Accounts held by a person to determine whether a Financial Account is a High Value Account, a Reporting Financial Institution is also required, in the case of any Financial Accounts that a relationship manager knows, or has reason to know, are directly or indirectly owned, controlled, or established (other than in a fiduciary capacity) by the same person, to aggregate all such accounts.
4. **Amounts Read to Include Equivalent in Other Currencies.** All dollar amounts are in U.S. dollars and shall be read to include equivalent amounts in other currencies, as determined by domestic law.

1. The term **“Reporting Financial Institution”** means any Participating Jurisdiction Financial Institution that is not a Non-Reporting Financial Institution.
2. The term **“Participating Jurisdiction Financial Institution”** means (i) any Financial Institution that is resident in a Participating Jurisdiction, but excludes any branch of that Financial Institution that is located outside such Participating Jurisdiction, and (ii) any branch of a Financial Institution that is not resident in a Participating Jurisdiction, if that branch is located in such Participating Jurisdiction.
3. The term **“Financial Institution”** means a Custodial Institution, a Depository Institution, an Investment Entity, or a Specified Insurance Company.
4. The term **“Custodial Institution”** means any Entity that holds, as a substantial portion of its business, Financial Assets for the account of others. An Entity is treated as primarily conducting as a business one or more of the activities described in subparagraph A(6)(a), or an Entity's gross income is primarily attributable to investing, reinvesting, or trading in Financial Assets for purposes of subparagraph A(6)(b), if the Entity's gross income attributable to the relevant activities equals or exceeds 50 per cent of the Entity's gross income during the shorter of: (i) the three-year period ending on 31 December of the year preceding the year in which the determination is made; or (ii) the period during which the Entity has been in existence. The term "Investment Entity" does not include an Entity that is an Active NFE because it meets any of the criteria in subparagraphs D(9)(d) through (g).

This paragraph shall be interpreted in a manner consistent with similar language set forth in the definition of "financial institution" in the Financial Action Task Force Recommendations.

7. The term "**Financial Asset**" includes a security (for example, a share of stock in a corporation; partnership or beneficial

ownership interest in a widely held or publicly traded partnership or trust; note, bond, debenture, or other evidence of indebtedness), partnership interest, commodity, swap (for example, interest rate swaps, currency swaps, basis swaps, interest rate caps, interest rate floors, commodity swaps, equity swaps, equity index swaps, and similar agreements), Insurance Contract or Annuity Contract, or any interest (including a futures or forward contract or option) in a security, partnership interest, commodity, swap, Insurance Contract, or Annuity Contract. This category is comprised of the integral parts, controlled entities, and political subdivisions of a jurisdiction.

a) An “integral part” of a jurisdiction means any person, organisation, agency, bureau, fund, instrumentality, or other body, however designated, that constitutes a governing authority of a jurisdiction. - c) Income does not inure to the benefit of private persons if such persons are the intended beneficiaries of a governmental program, and the program activities are performed for the general public with respect to the common welfare or relate to the administration of some phase of government. Notwithstanding the foregoing, however, income is considered to inure to the benefit of private persons if the income is derived from the use of a governmental entity to conduct a

commercial business, such as a commercial banking business, that provides financial services to private persons.

3. The term **“International Organisation”** means any international organisation or wholly owned agency or instrumentality thereof. This category includes any intergovernmental organisation (including a supranational organisation) (1) that is comprised primarily of governments; (2) that has in effect a headquarters or substantially similar agreement with the jurisdiction; and (3) the income of which does not inure to the benefit of private persons.

 - i. the fund is generally exempt from tax on investment income, or taxation of such income is deferred or taxed at a reduced rate, due to its status as a retirement or pension plan;
 - ii. the fund receives at least 50 per cent of its total contributions (other than transfers of assets from other plans described in subparagraphs B(5) through (7) or from retirement and pension accounts described in subparagraph C(17)(a)) from the sponsoring employers;

- iii. distributions or withdrawals from the fund are allowed only upon the occurrence of specified events related to retirement, disability, or death (except rollover distributions to other retirement funds described in subparagraphs B(5) through (7) or retirement and pension accounts described in subparagraph C(17)(a)), or penalties apply to distributions or withdrawals made before such specified events; or
 - iv. contributions (other than certain permitted make-up contributions) by employees to the fund are limited by reference to earned income of the employee or may not exceed \$50,000 annually, applying the rules set forth in paragraph C of Section VII for account aggregation and currency translation.

8. The term **“Qualified Credit Card Issuer”** means a Financial Institution satisfying the following requirements:
 - a) the Financial Institution is a Financial Institution solely because it is an issuer of credit cards that accepts deposits only when a customer makes a payment in excess of a balance due with respect to the card and the overpayment is not immediately returned to the customer; and
 - b) beginning on or before 31 December 2018, the Financial Institution implements policies and procedures either to prevent a customer from making an overpayment in excess of \$50,000, or to ensure that any customer overpayment in excess of \$50,000 is refunded to the customer within 60 days, in each case applying the rules set forth in

paragraph C of Section VII for account aggregation and currency translation. For this purpose, a customer overpayment does not refer to credit balances to the extent of disputed charges but does include credit balances resulting from merchandise returns.

9. The term “**Exempt Collective Investment Vehicle**” means an Investment Entity that is regulated as a collective investment vehicle, provided that all of the interests in the collective investment vehicle are held by or through individuals or Entities that are not Reportable Persons, except a Passive NFE with Controlling Persons who are Reportable Persons.
